Bob-

I just thought that I'd give you the heads up that I have a date conflict with the [REDACTED] trial scheduled for October 5, 2010. Specifically, I already had 2 other cases scheduled in Pittsfield that day, and received a summons for Springfield the same day I received your summons. Although it is still early, I am under the impression that at least one, if not both, of the Pittsfield trials will definitely go, but I will let you know if/when I hear anything more. Sorry.
